

2025 Ref Talks

COELIAC DISEASE IN 2025 Where we are now? Where are we going?

In this talk we aim to give a historical overview, 'where we are' in Lothian and how we see Scotland leading the way in management, with Lothian dietetics at the forefront of modern management of the condition, but with optimal ongoing support for those diagnosed and where we are going, moving forward.

Our Awesome Speakers:

DR HELEN GILLETT

Consultant Adult Gastroenterologist
Medical Lead - Coeliac Service
St John's Hospital NHS Lothian

DR PETER GILLETT

Consultant Paediatric Gastroenterologist
Royal Hospital for Children & Young People (RHCYP)
NHS Lothian

30 JANUARY 2025, THURSDAY, 7:30PM - 8:30PM MS TEAMS
